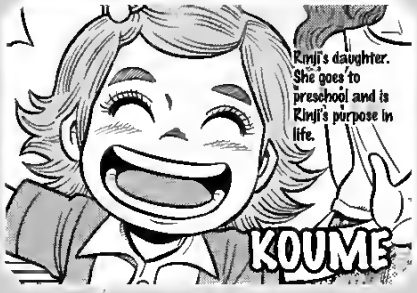
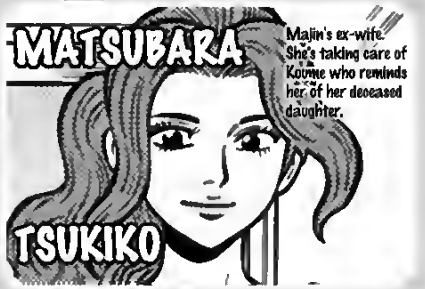
CHARACTER INTRODUCTION

Rinji's ex-wife. Because of his unemployment and online mahjong addiction she left him. Due to her illness she underwent an operation, but ended up in a comatose state, which she has already been in for over half a year...
HANAKO





KIRIYA RINJI
He's very good in online mahjong, but also has mastered Kabukichou's real-life mahjong. In order to protect Koume and Hanako, his aim is to completely dominate the mahjong parlors of Kabukichou.

Summary

Kiriya Rinji, an online mahjong player, neglected his life in order to become good at the game, which ended in his wife divorcing him. In order to pay the child support for his daughter, Koume, he goes to the seedy Kabukichou district. He survives thanks to his online skills, adapts to real-life mahjong and decides to feed himself with it.
During that time, his ex-wife, Hanako, underwent an operation due to her illness but ended up in a comatose state. Needing a large amount of money to secure Hanako a chance for recovery in America, Rinji decided to aim for the lucrative job of Rep-Player, but needs the title of "Strongest Player in Kabukichou" in order to get scouted.
Out of the 5 tenpin parlors of Kabukichou, Rinji has dominated his home parlor "Kabuking" and is currently challenging the second parlor he chose "Lyndon Lyndon".
However, having no experience with the "Drawing Ahead Allowed" ruleset, he was completely destroyed. He lost all his money and his pride was broken.
And while Rinji is sulking in his bed, Koume uses the chance to play Online Mahjong on his account.

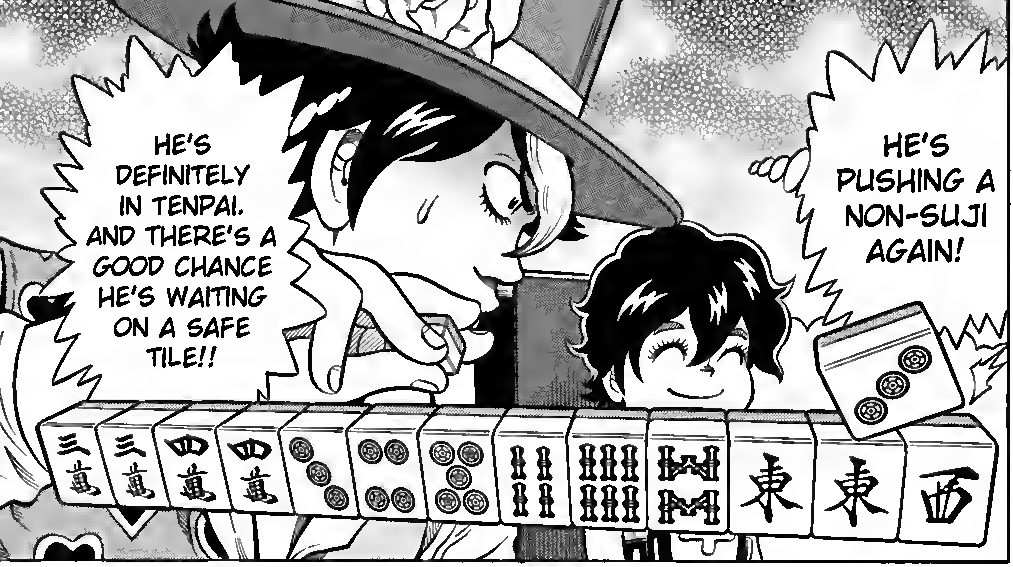
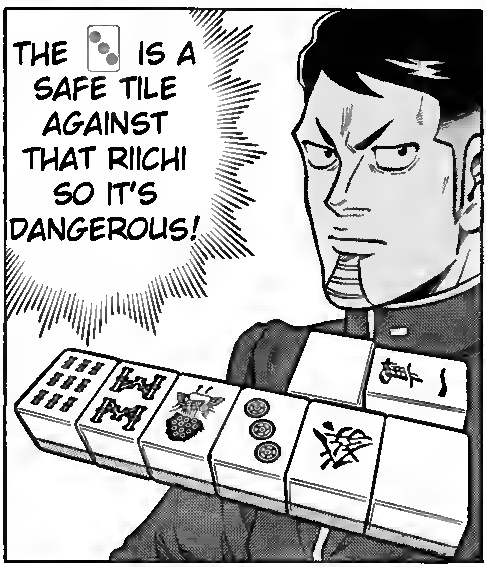
WAS THAT PUSH ACTUALLY A STRONG MOVE...?
HE PUSHED A DORA ON THE IPPATSU!?
HE'S DIFFERENT FROM THAT OTHER 10-DAN LIGHTNING FLASHY, HE DOESN'T WASTE TIME!!
HE KNOWS WHAT'S GOING TO PASS!!

GO OO♡
ARE YOU AN IDIOT?
HE'S BEEN ACTING WEIRD FROM THE START... IT'S EITHER SOMEONE ELSE PLAYING OR HE'S DRUNK. ONE OF THOSE
KIRINJIPAPA WOULD NEVER MAKE SUCH A BRUTE PLAY



HE'S DEFINITELY IN TENPAI. AND THERE'S A GOOD CHANCE HE'S WAITING ON A SAFE TILE!!
HE'S PUSHING A NON-SUJI AGAIN!

THE 西 ISN'T SAFE AGAINST THAT RIICHI, BUT I'M MORE SCARED OF KIRINJIPAPA, IT'S A SAFE TILE AGAINST HIM



THE ● IS A SAFE TILE AGAINST THAT RIICHI SO IT'S DANGEROUS!

THIS ONE ABSOLUTELY PASSES!!
OF COURSE HE'D DEAL THE PERFECTLY SAFE AND GO FOR A CLOSED WAIT

The cute dog in this chapter, "Doresuke", was the winner of a Tonhou contest organized by the people behind the manga, with the prize being an appearance in Tetsunaki no Kirinji.
His twitter is https://twitter.com/kiminonakanoau and you can see his profile picture is a cute dog with a red scarf, just like the one in this chapter.

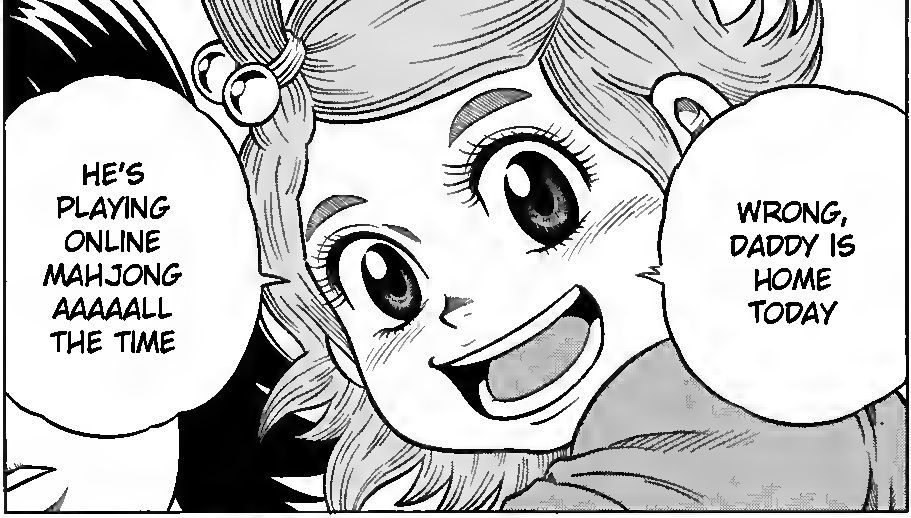
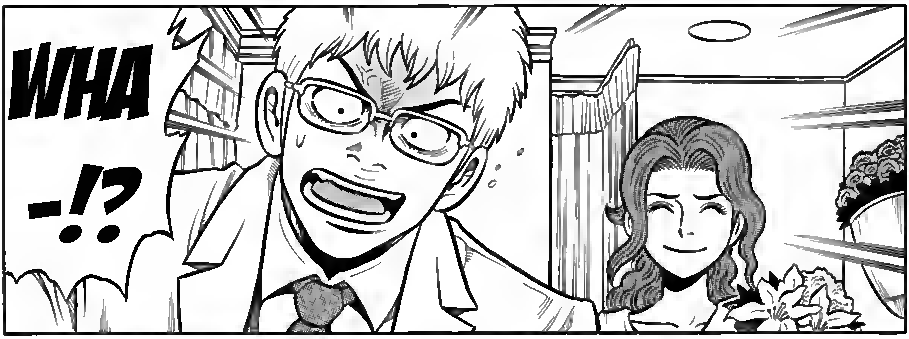
NICE TO MEET YOU, I'M MATSU-BARA TSUKIKO
I'VE HEARD A LOT ABOUT YOU FROM THAT PERSON
MOMMY, LOOK, LOOK! TSUKIKO-SIS DID MY HAIR AFTER WE FINISHED OUR BATH ♡
IT'S A TOP-KNOOOT !!
EH... HUH?
EXCUSE ME... I'M A BIT CON-FUSED...
AH, DON'T GET IT WRONG!
I'M JUST HER PLAYMATE FROM KIRIYA'S NEIGHBOR-HOOD

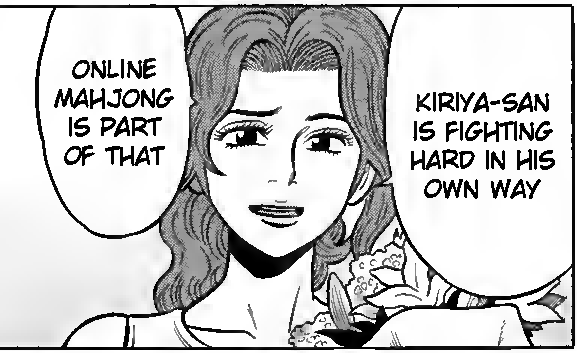
KOUME-CHAN GETS ALONG WELL WITH MY MOTHER
SO WHEN KIRIYA-SAN CAN'T LOOK AFTER HER, SHE STAYS AT OUR PLACE
TODAY HE HAD SOME BUSINESS AS WELL, SO I...
BUSI-NESS?
IT'S MAHJONG, ISN'T IT?
IS THAT A REASON TO LEAVE YOUR CHILD IN THE CARE OF OTHER PEOPLE!?
EVEN THOUGH HER MOTHER ISN'T BY HER SIDE AND SHE'S ALREADY FEELING LONELY
HE WANTS TO LEAVE HIS DAUGHTER ALL ALONE AND AIM AT BECOMING A REP-PLAYER OR WHATEVER, WHAT AN ABSURD DREAM...



HE'S PLAYING ONLINE MAHJONG AAAAALL THE TIME
WRONG, DADDY IS HOME TODAY



WHA -!?



ONLINE MAHJONG IS PART OF THAT
KIRIYA-SAN IS FIGHTING HARD IN HIS OWN WAY

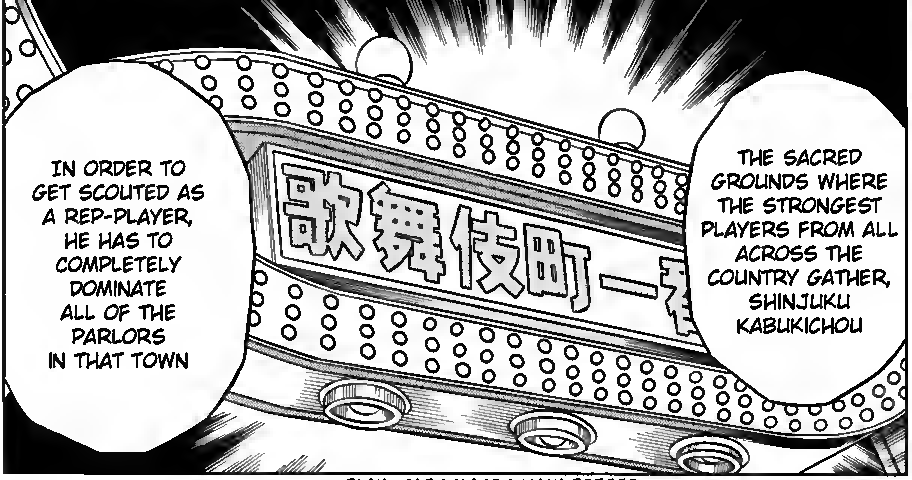
AND SHE CAN'T WAKE UP EVEN AFTER ALL KINDS OF MEDICAL TREATMENTS
SO IF YOU'RE OUT OF OPTIONS TO SAVE SOMEONE IMPORTANT
ISN'T TRYING FOOLISH THINGS THE ONLY THING LEFT?
BECOMING A REP-PLAYER ISN'T A PIPE DREAM. I KNOW BECAUSE MY FATHER WAS AT THE TOP OF THAT WORLD
WHEN THE GAMES OF WEALTHY PEOPLE GO INTO RATES OF HUNDREDS OF MILLIONS, THEY CALL FOR STRONG PLAYERS



IN ORDER TO GET SCOUTED AS A REP-PLAYER, HE HAS TO COMPLETELY DOMINATE ALL OF THE PARLORS IN THAT TOWN

xGeo's Corner:

Ura suji, which is sometimes referred to as a "back vein," is the term for a suji that results from a closed wait (kaachan) being upgraded to a two-sided wait (ryanmen). In this chapter, Phil had 34p waiting on 2,5p. Since he had a 6p in his discards, one can imagine that he might have had the shape 346p.
The 6p is redundant and inefficient, so naturally one would discard the 6p and go for the two-sided wait for 2,5p. Although this theory does not work all the time, seeing a 6 in someone's discards could indicate a 25p wait. Similarly a 1 discard could also indicate a 2,5 since you would discard 1 from a 134 shape.
